NIHAD TEHMEZLI

Graphic Designer

Experienced Graphic Designer with a strong background in creating cohesive visual identities, digital content, and marketing materials, skilled in translating client requirements into impactful design solutions while maintaining brand consistency, attention to detail, and high-quality standards across diverse projects.

EXPERIENCE

● BAKU DESIGN CENTER 2023 – 2024

Completed a comprehensive graphic design training program focused on visual communication, branding principles, typography, color theory, and practical software skills, gaining hands-on experience through real-world projects and creative assignments.

● SHIMGE Azerbaijan 2024 – 2025

Worked on creating marketing and promotional materials including social media content, product visuals, and print designs, contributing to brand consistency and supporting the company's marketing efforts through visually effective communication.
