PROFESSIONAL SUMMARY

Motivated student in Process Automation Engineering with a passion for Industrial Automation. Graduated high school in 2022 with a strong score. Currently pursuing a Bachelor's at Azerbaijan State Oil and Industrial University. Coordinated whole summerschool in Seabreeze, Amburan and Landau school. Experienced in volunteer work with the Azerbaijani Engineers Union, focusing on environmental protection and technical documentation. Committed to continuous learning, seeking opportunities for skill development through internships. Demonstrates high motivation and keen interest in professional growth within the field.

EDUCATION

BSc. in Process Automation Engineering

Azerbaijan State Oil & Industrial University

Continuing Education in "SABAH GROUPS"

LANGUAGE

- Azerbaijani – Native
- Turkish – Advanced
- English – Upper-Intermediate
- Russian – Beginner

WORK EXPERIENCE

Volunteer (Feb'1, 2023 – Jun'10, 2023)

Azerbaijan Engineers Union

- Organizing the webinar on "BIM in the oil and gas industry" with Mehmet Eghilmezer and Yasin Demirdelen.
- Training on "Reading technical documents in process automation" with Taghi Babazadeh
- Technical tour at NORM which is the largest cement company in the Caucasus region.
- Organizing the three training sessions on environmental protection. They are: "Assessment of environmental impact and governance", "Climate changes", and "Waste management".

Coordinator (Jun'19, 2023 – Aug'25, 2023)

Seabreeze, Landau School, Amburan

- Assisted in the improvement of English language skills among students through interactive activities and targeted exercises.
- Coordinated teaching efforts by collaborating with instructors, organizing class schedules, and managing classroom resources.
- Facilitated communication between students, parents, and teaching staff to address concerns and enhance the learning experience.
